

#### **IN-COMPANY AND SPONSORED PROGRAMMES**

The Mind Management System can be run on an in-company basis and designed to meet a specific corporate objective or to benefit a distinct group of individuals. The programme can also be run for special interest groups or to the preferred dates and location, including overseas, of the sponsoring host.

#### **PERSONAL TUITION**

If you cannot attend our open courses, or prefer personal tuition, we will work with you on a one-to one basis. Scheduled to suit your diary, this can either be at your office, home or at mutually convenient venue. You are welcome to bring a partner or friend but the tuition will be limited to two individuals at a time.

#### **BE A TRAINER OF THE MIND MANAGEMENT SYSTEM**

The Consultancy operates a franchising system where a limited number of individuals are trained to join us as Licensed Trainers of the Mind Management System and Quantum Reading™

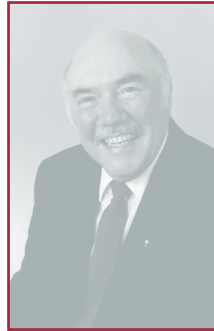

#### **SPECIALIST IN-COMPANY PROGRAMMES**

The Thinking Consultancy Ltd also run in-company programmes on thinking and related behaviours. These include, *Creative Thinking, Confidence and Self Esteem, Train the Trainer, Memory Skills, Time Management and Accelerated Reading.* The Consultancy also specialises in resolving organisational, behavioural or attitudinal problems. These can include a simple 'clash of personalities', concerns over customer service, to 'phobias' about perceived or real inter-departmental 'take overs'.

#### **ADDITIONAL INFORMATION**

Please contact Paul Hobbs if you would like more information on The Mind Management System / Quantum Reading™ programmes or on how to join us as a Licensed Trainer. Speak to him personally regarding bespoke in-company programmes or to discuss his giving a presentation to your Board of Executives or professional Institution or Society.

**P**aul has a background in Accelerated Learning and is a Practitioner in NLP (Neuro Linguistic Programming).

Formally an avionics engineer, he has been involved in personal development for over 20 years.

Trained by world experts including Tony Buzan, Colin Rose, Richard Bandler et al, Paul has continually striven to take the principles of brain synergy and whole-mind thinking into the business world.

Paul is one of the U.K's leading figures in the world of applied thinking and learning. He has been invited to speak on **Quantum Reading™, NLP, Accelerated Learning** etc at conferences in Europe, The Middle East and the US and is a regular speaker at meetings organised by professional institutes. He also accepts invitations to speak at corporate meetings and special interest groups.

Frequently interviewed on radio and television he has also written many articles on Quantum Reading™ and advanced learning systems.
